Dear Member,

The 2011 jump racing season has arrived and I'm pleased to announce that we can look forward to a longer season than usual.

The fixture list has been extended this year and National Jumps Day will be on October 16 at Ellerslie in order to offer a jump racing experience during the Rugby World Cup. You can't get too much of a good thing!

Planning is also well underway for an Ireland v New Zealand Jumping Series...more details on this exciting initiative to follow soon!

Enclosed is a copy of the new "Over The Jumps". Please note that the season extension does not feature on the programme displayed in this publication but it is now confirmed on the NZTR website.

Please remember that NZ Jumps Inc is the body that represents the opinions of jump racing participants and supporters in an official capacity. It helps sets future policy and strategy to ensure jumping remains a relevant part of the horse racing scene.

If you have ideas or suggestions please do not hesitate to contact me, as your NZ Jumps Inc Secretary.

The more members we have...the more sway we have with the powers that be. Your support is therefore needed.

Kind regards,

Andre Klein
