

## Owners/Trainers Payment Dates 2010

Payments are to be made 5 working days after the period end. Where there is a public holiday the payment will be made on the next working day. Direct credit payments are made twice per month, cheques are sent out once per month.

If your horse has been swabbed for drug testing and the tests have not been cleared by the processing date, you will be paid in the next payment run after the swab has been cleared.

Below are the relevant dates for the 2010 season.

The laboratory which tests the swabs taken from horses will be closed on the public holidays over the Christmas and New Year period. Combined with the large numbers of races around this time, there may be some delays to the reporting of results from these swabs. NZTR only pays out owners' stakes when they have been cleared by the laboratory. In this holiday period, some swabs which would otherwise be expected to be cleared by a specific processing date may not be cleared by this time. In these instances the owners' stakes will be paid out in the next following payment run.

If you are currently receiving stakes payments by cheque and would like to change to direct credit, please supply your bank account details in writing to the Owners Settlement Account.
