CLASSIFICATION SYSTEM

The following is an explanation of the Classification system changes, which became effective from 14 November 2011:

MAIDEN – For horses that have not won a flat race.

Set weights: Colts, geldings and entires **58.5kg**, fillies and mares **56.5kg**. Three-year-old allowances apply as below: –

August – October	2.5kg
November – January	1.5kg
February – April	0.5kg
May – July	Nil

RACES BASED ON RATING BANDS

As from 14 November 2011, races based on rating bands have been amended in accordance with the changes to the NZTR Handicapping Policy. These rating races are run up to a particular rating band and will vary from region to region and time of the year, depending on available horse populations, e.g. Rating 65, Rating 75, Rating 85 etc. All races based on a rating band 65 and above are run under handicap conditions.

OPEN HANDICAP

For all horses not less than three years old.

MINIMUM WEIGHTS

- The minimum weights for all handicap races (except Group and Listed Races and Open Handicaps) is **54kg** (effective 1 Feb 2011). The minimum weight (effective 14 Nov 2011) for Open Handicaps is **53kg**.
- The minimum top weight declared for all handicap races (except two and three year old handicap races) is **59kg** (effective 1 Feb 2011).

MAIDEN HURDLE / STEEPLECHASE

For horses who have not won a hurdle / steeplechase race.
Set weight **65kg**.

RESTRICTED OPEN HURDLE / STEEPLECHASE

These races have replaced the previous Intermediate races. Those horses with higher ratings (over Rating 92) will be expected to carry higher weights, but will not be re-rated significantly (Usually 2 points or less), to ensure that these horses are not disadvantaged in Open, and Premier Jumps Races. Minimum weight is **64kg**.

HURDLE / STEEPLECHASE (OPEN)

Minimum weight **64kg**.

PRESTIGE JUMPING RACES

Minimum weight **63kg**.

DECLARATION OF RIDERS

Trainers are asked to note that riders for balloted horses which regain the field are now required to be notified to the National Racing Bureau by 10.00am on Race morning.

DUAL ACCEPTORS

Licence holders should be aware of the general policy regarding dual acceptors.

If horses are being entered at two meetings within 48 hours of each other, NZTR in conjunction with clubs will apply their discretion to eliminate the horse from one meeting if full fields exist at both places. This policy also applies where horses are entered in more than one race at the same meeting.

If a horse will make the field at both meetings, or in both races at the same meeting, licence holders should advise the National Racing Bureau of their preference rather than face disappointment by being eliminated from the race and/or meeting that is preferred.

There is an exemption to this policy, when it involves Group and/ or Listed races. Where a horse is accepted in a Group and/ or Listed

Race and any other non black-type race scheduled within 48 hours and its weight, rating or qualification would merit a start in both races, that horse may be eliminated or balloted out of the non black-type race irrespective of its weight, rating or qualification if there are ballots required.

Clubs that conduct multi-day meetings within 48 hours are exempt from this policy *provided* this condition is advertised in the official advertised programme.

These procedures have been put in place in an effort to obtain starts for as many horses as possible.

POINTS SYSTEM FOR MAIDEN RACES

The following is an explanation of the points system used for field selection for maiden races:-

Raceday 2nd add 2 points – minimum 7 points, maximum 9 points

Raceday 3rd add 1 point – minimum 6 points, maximum 9 points

Raceday 4th minimum 5 points – if presently higher stays as is

Raceday 5th minimum 2 points – if presently higher stays as is

- Horses that finish sixth that have had three starts or fewer will receive 1 point.
- 1 point to be deleted for every unplaced run (6th or worse), after 3 unplaced runs points revert to zero.
- Fell, brought down, pulled up, ran off, disqualified and lost rider are ignored.
